

HEART U™

What is... DiversityInc?

DiversityInc is a diversity and inclusion digital publication and multi-media resources library. They publish two main sites, www.DiversityInc.com and the members-only diversity management website, BestPractices.DiversityInc.com.

The DiversityInc annual survey helps hundreds of organizations, including many of our partners like Kaiser Permanente, Pfizer and others, benchmark their diversity practices. In 2017, the AHA/ASA was recognized by placing 9th on the Top 11 Regional Companies list for diversity practices. Over 1,000 organizations have participated on this annual survey for nearly two decades. The AHA/ASA has benchmarked its practices through this survey since 2014.

Founded in 1998, DiversityInc's mission is to bring education and clarity to the business benefits of diversity.
