

“What are these MOOCs I keep hearing about?”

Massive Open Online Courses

MOOCs are free* online courses available to anyone with internet access.

Attendance is virtually unlimited, allowing for thousands of learners to participate simultaneously.

In addition to traditional course materials such as filmed lectures, readings, and problem sets, many MOOCs provide interactive user forums to support participants.

Courses vary in length from 1-6 weeks, with a 1-4 hour time commitment per week.

*It is recommended that you consult your supervisor before participating in MOOCs due to time commitments required.
